

MAINE

GEAR SHARE

Maine GearShare is a nonprofit outdoor equipment lending library. Its inventory includes camping, hiking, and backpacking equipment and apparel for youth and adults.

As a Teens to Trails member, your school outing club can access Maine GearShare and use this resource to support your overnight or day programming. We hope that Maine GearShare allows more students to participate in outing clubs, and allows outing clubs to dream big without worrying about how to source gear for trips.

To use this resource, follow the directions below. Please note that as the account holder, your school is financially responsible for any lost or damaged gear. Your group leader will be asked to sign a Waiver and Release of Liability upon picking up the gear.

- 1. Create Account:** Go to <https://mainegearshare.myturn.com/library/> to browse our inventory and create an account. It can take 2-4 business days for your account to be activated. Once activated, you will receive an email and can begin reserving gear.
- 2. Reserve Gear:** Fill your cart with everything you and your students need, select your pick-up time, and submit your reservation.
- 3. Pick Up Gear:** All pick-ups take place at 657 Old Portland Road, Brunswick Maine 04011. The group leader must be present for pick up in order to sign a Waiver and Release form.
- 4. Have a great trip!** We'd love to see photos if you are able to share.
- 5. Return Gear:** Return the gear during your scheduled return appointment. Your school is responsible for gear that is lost or damaged due to negligent use. Maine GearShare inspects each piece of gear when it is returned and will write an invoice for the cost of any necessary replacement or repair. Gear replacement prices are shown for each item in our inventory.
