

(DATE)

Outdoor Club Members and Parents,

The (SCHOOL) Outdoor Club is going on a hike to Tumbledown Mountain on Sunday, DATE. Tumbledown Mountain (3090 ft), in the Weld Region of Western Main is scenic, featuring cliffs, multiple peaks, and a high pond. We will ascend the Brook Trail to the pond, and climb to the peak via the Tumbledown Ridge Trail. Our descent by the same route will complete this 4.4-mile hike.

Hikers should come prepared for a day outdoors, with plenty of warm clothing, rain gear, lunch and snack food and water packed in a suitable backpack. Please review the attached equipment list, and notify the Advisors if there is equipment on the list that you are unable to provide.

Transportation will be by school bus. The trip will depart from WHS at 6:30 AM and return in the late afternoon. We will make stops en route for snacks. Trip participants must return a signed consent form and health & emergency contact forms consistent with those required for athletic participation no later than Thursday, May 31. Students will be signed up when all materials are returned on a first-come-first-served basis until the trip is served. In the event of inclement weather, a decision about the trip will be made the evening before the trip and a phone tree will be activated.

Thank you,

(NAMES of Advisors)

(SCHOOL) Outdoor Club Advisors

Parental / Guardian Consent

I have read and understand the information provided both in this letter and in the Participation Agreement Form previously signed. I agree to my child taking part in the trip and activities described. I acknowledge the need for them to behave responsibly by following all school and trip rules and requests made by trip leaders.
