GRANTS-TO-CLUBS
Follow-Up Report for Grantees

Within one year of receiving a grant, Outing Club Advisors are expected to submit a brief **Follow-Up Report** describing how funds were used & the benefits received from the grant, as well as a frank assessment of any problems that were encountered along the way. We would expect this at the end of the school year or early in the fall prior to next year's grant awards. Please submit with your report a few Outing Club photos that we can use in press releases, publications and on our website. In addition, we would welcome a brief testimonial statement from a teen Outing Club member expressing how they feel they have benefited from the Outing Club program. *Teens To Trails* will use these photos & testimonials to encourage more teens to get outdoors, gather support for Outing Clubs in communities throughout Maine and fundraise for next year's grants! We appreciate your help.
